The Howard County Community Foundation is a local charitable affiliate of the Community Foundation of Northeast Iowa. We are a public charity that allows people to establish a fund or make a gift to an existing fund to benefit the citizens of Howard County forever.

We were established to improve the quality of life right here in Howard County by making grants to support local non-profit organizations and projects now and in the future. The Community Foundation is here to help people make tax-deductible gifts in accordance with their interests.
