

Gift to Regional Health Services Foundation

Dear Friend of RSHC,

Your gift to Regional Health Services of Howard County will benefit so many lives in the Howard County service area. RSHC continues to be committed to providing the highest quality, most progressive rural health care services. Donors may be assured that all financial gifts will remain in our community and be used to support health care needs through the purchase of equipment, renovation of the facility, and development of health care and educational programs and services. The RHS Foundation is a tax-exempt 501(c)(3) organization. Thank you for your support.
